## Japanese Visitors

Last term on Thursday 28/8 North Rockhampton High School hosted a small group of Japanese students for the day. The four young women were from Kwassui University in Nagasaki and were accompanied by their supervising teacher Karen Masatsugu. The students are currently studying childcare in Japan and visiting several childcare institutions in Rockhampton as well as other primary and secondary schools during their 3 week visit to Australia. They are hosted by the CQU Language Centre. Our Year 9 Japanese students 'buddied' the students for the day and, as with previous visits from both Japanese and Thai students, they loved it!!

## LOTE (Japanese success)

Congratulations to Koren Hood Year 9, who won a major prize in the CQ Languages Art Contest, held late last term. Koren produced an innovative interpretation of a Japanese kanji character which greatly impressed the judges. Students from seven high schools in the region entered the competition. A fantastic effort and result Koren!!!

## Interschool Touch Football

The Girls Interschool Touch Football Competition was held at the Rockhampton Touch Association fields during term 3.

North Rockhampton High fielded two teams, one in each the senior and junior competition. We were very inexperienced compared to many of the other teams in the competition with this being the first time many of our students had played touch football.

Both teams did extremely well; they showed great sportsmanship and their skill level improved quickly. This experience will do the junior team well as they are all grade 8 and 9 girls so they will have another year in the 15yrs division and can hopefully do even better next year.

The senior team was a good mix of grade 10, 11 and 12 girls. They finished 5<sup>th</sup> overall out of 13 teams, which was better than expected at the beginning of the competition. The girls worked well as a team and put into practice all the things they learned at training which was pleasing to see.

Rianne Goodwin was named Most Valuable Player for the junior team and Taylor Drew received the Coach's Award. For the seniors, Most Valuable was Amy Douglas and the Coach's Award went to Chelsea Yarham.

14 October 2014

Dear Parents, Guardians, teachers, staff and students:

In light of the recent serious traffic crashes on Capricornia District roads, we are asking all members of our community to abide by the road rules and remember the fatal five:

- Speeding;
- Drink and Drug Driving;
- Failure to wear a Seatbelt;
- Driving while Fatigued;
- Distraction and Inattention.

Each year a considerable number of people are killed or seriously injured on our roads. The safety of our students, children and families is a very high priority.

Students who travel by bus to and from school are reminded if **your bus has seatbelts, you must wear them**. Students who ride their bicycles to school should always be aware of their own personal safety and that of other road users. It is **compulsory for cyclists to wear helmets**. These helmets must be in good condition, fastened correctly and fit properly. Otherwise, they are effectively useless and will provide no protection when you may need it the most. Parents/carers are requested to ensure that their child has a suitable helmet that meets the Australian Standards.

Students who drive to school are reminded that it is a privilege to hold a drivers licence. We ask all drivers to be aware of the speed limit in school zones and be very conscious of pedestrians and other road users. Driving is the most dangerous activity that occurs on our roads. Every year hundreds of people are killed or seriously injured. Always drive responsibly and always abide by the Australian Road Rules. Failure to comply may result in traffic infringement notices being issued as well as your vehicle being confiscated by Police.

Please drive safely so you can go home at the end of the day to your loved ones.

Kind regards,

  
Superintendent Van Saane  
District Officer  
Capricornia Police
