

North Rockhampton State High School

Subject Selection Structure - 2017 Year 10 Subject selections (COPY)

Number of Lines: 6

Additional Preferences: 2

Mandatory KLAs: **English, Humanities and Social Sciences, Mathematics, Science**

Student Instructions:

You are required to select ONE subject from each line. You must select English, Mathematics, Science and History. Only one Science is to be selected: Science or Project 10 Science.

You may then select two (2) other subjects from the electives offered.

You are also required to select two (2) additional preferences. You may be allocated your additional preference if a subject is full or if the subject does not run due to insufficient numbers. Please note that some subjects may not run if insufficient number of students select the subject.

Note: Only students with disabilities may select Adolescent Transition on Line 3.
