

# EXPLICIT TEACHING INSTRUCTION

## A well-crafted lesson

Learn by doing through feedback teaching model

Phase of lesson	Steps
<b>I DO</b>  Beginning of lesson	1. Settle in question
	2. Warm-up
	3. Introduction: <i>The hook and outline the whole concept</i>
	4. Establish purpose
	5. Outline learning intent and success criteria
	6. Check for prior learning
	7. Step-by-step explanation
Model	8. Demonstrate: Exemplars or show
<b>WE DO</b>  Guided practice  Coaching and feedback	<i>Actively process new information</i>
	9. Scaffolding
	10. Development and engagement
	11. Check for understanding
	12. Give feedback
<b>YOU DO</b>  Independent practice	<i>Deepen student's knowledge's</i>
	13. Lean by doing through feedback
	14. Transfer your learning
Teach others  <i>Reciprocal teaching</i>	15. Polish your new learning by teaching others
End of lesson	16. Debrief and plough back  <i>Reinforce key learnings of lesson. Ask "what two things did you learn today?" Make a link to future lessons and <u>set independent work</u>.</i>
