

Investing for Success

Under this agreement for 2017

North Rockhampton State High School will receive

\$490,015*

This funding will be used to

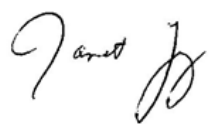

- Guarantee that 100% of students have access to explicit teaching and learning of writing strategies.
- Guarantee that 97% of students exiting Year 12 will achieve either a QCE, QCIA or VET qualification.

Our initiatives include

- Employ a Pedagogy Coach to support teacher's pedagogical practice and professional development.
- Employ a Head of Department – Teaching and Learning, to lead the writing improvement agenda across the whole school.
- Employ two Teacher Aides to work with identified students to support improved writing and numeracy teaching and learning and staff data entry.
- Provide teachers with additional planning time to analyse and respond to student performance data in Writing and Numeracy including school based and systemic (Year 5 & Year 7 NAPLAN) data, collaboratively plan and peer review in order to identify targeted interventions for identified students.
- Participate in the Community of Practice initiative to improve the teaching of Mathematics through professional development for Mathematics teachers.
- Provide teachers with professional development in the teaching of writing strategies.
- Use the Master Teacher and the Pedagogy Coach to support staff in the development of improved classroom pedagogy and the analysis and interpretation of data.
- Provide identified students opportunities to participate in literacy programs.

Our school will improve student outcomes by

Employing a Pedagogical Coach to support staff professional development.	\$90,000
Employing a Head of Department – Teaching and Learning.	\$145,000
Employing additional Teacher Aide support within classrooms to assist with targeted interventions and to assist with the tracking of student outcomes.	\$90,000
Purchasing teacher release time to enable staff to develop and interpret school based and systemic (Year 5 & Year 7 NAPLAN) data, collaboratively plan and peer review.	\$90,000
Purchasing professional development in the teaching of Mathematics.	\$30,000
Purchasing professional development in the teaching of Writing.	\$20,000
Purchasing literacy and numeracy resources to support the Writing and Mathematics strategies.	\$10,000
Purchasing literacy programs such as "Impact Writing" for identified students.	\$15,000
